JACK ANDERSON'S WASHINGTON LETTER
August 1984

MY PREDICTIONS: NEWS BEFORE IT HAPPENS

I predict the Navy will buy Soviet MiG-21s for simulated dog-fights. Where will the Navy get its MiGs? A secret CIA report points out that India and China make reasonable facsimiles of the MiG-21. Other countries--Egypt, Libya, North Yemen, Nigeria, and Guinea-Bissau, to name a few--have the genuine article at bargain rates.
